

Arlington Stallions Rugby Club, Inc.

As we embark upon our 12th year, the Arlington Stallions Rugby Club has grown from a single side of 19 players to a club of nearly 90 that fields an elementary school side, a middle school side and three high school sides. We have had numerous on-field successes, but are most proud of the standards we have maintained in the areas of positive coaching, active support of our governing body, *Rugby Illinois*, and in our efforts to provide the Rugby experience to a growing number of young players in our geographic area at a reasonable cost.

We have been able to do this only through the generosity of several corporate sponsors that we have been lucky enough to make contact with through parents, or friends of parents of our players. As we go into the 2015-2016 seasons, there are opportunities to add new corporate sponsors.

It is our hope that you will consider supporting our organization and our efforts to grow the quality in which Rugby is administered, as well as the number of young men who currently participate.

Sponsorship packages are numerous and include several benefits, from having your company name and logo placed on our website and included in our promotional materials, to having your company name and logo placed on the chest of our sets of jerseys, which are worn in every club match.

Please know that we do our best to provide the best possible return on investment to our corporate sponsors. We have five sides that play in competitive leagues in the spring, two sides that play in Olympic sevens tournaments in the summer, and a high school side that plays in the fall. We also increase our exposure (and that of our sponsors) by walking in the annual Arlington Heights July 4th Parade, which has an estimated attendance of 80,000.

All of our club coaches and administrators serve as volunteers and all sponsorship monies go directly into the club operating fund.

Sincerely,
The Coaches, Players and Parents of the Arlington Stallions Rugby Club
