

## **Arlington Stallions Rugby Club 2015 – 2016 Sponsorship Opportunities**

Originating from a deep passion and an enthusiastic spirit for the game of Rugby, the Arlington Stallions Rugby Club was founded in 2004. We are an organization dedicated to providing middle school and high school boys the opportunity to participate in the international sport of Rugby. The purpose of the club is to provide a positive, educational, physically challenging and sportsmanlike experience for elementary, middle and high school students in the northwest suburbs. We draw players from Arlington Heights, Buffalo Grove, Elk Grove Village, Mt. Prospect, Rolling Meadows, Wheeling and neighboring towns.

In eleven years, we have grown from a single side of 19 players to a club of nearly 100 that fields an elementary school side, a middle school side and three high school sides. We have had numerous on-field successes, but are most proud of the standards we have maintained in the areas of positive coaching, active support of our governing body, *Rugby Illinois*, and our efforts in providing the Rugby experience to a growing number of young players.

We have been able to do this through the generosity of our corporate sponsors, having been fortunate enough to build these relationships through the parents or friends of parents of our players. Currently, we are seeking additional sponsorships that will allow us to continue with our efforts of providing area youth the opportunity to learn and play Rugby, all at a reasonable cost.

It is our hope that you will consider supporting our organization and young athletes as we continue our efforts to grow the quality in which Rugby is administered.
